Travel – Airport to Hotel

We recommend that you hire a remise (car with driver) at the Manuel Tienda Leon or other travel counter in the airport arrival hall. The service costs about 174 Argentinean Pesos. The remise will take you directly to the hotel of your choice together with at most 4 other passengers. Alternatively, you can buy a bus ticket at the Manuel Tienda Leon counter in the airport arrival hall, asking for the service with transfer directly to your hotel. The service costs about 50 Argentinean Pesos. If you choose this option, please reconfirm at the counter that the bus will take you directly to your hotel and not leave you at the Madero Terminal from where you would have to take a taxi from the street.

Please do not hire taxis outside the airport arrival hall.

Local Currency

The local currency is Argentinean Pesos.

A 24-hour foreign currency exchange service is available at the Ezeiza Airport by "Banco de la Nacion Argentina" (National Argentinean Bank). You will be able to exchange USD or EUR to Argentinean Pesos at the official exchange rate.
